215 - SUPERINTENDENT OF SCHOOLS/CEO EVALUATION

Purposes of the Evaluation

The Superintendent of Schools/CEO (the "Superintendent") and the Board of Education recognize the need to evaluate the Superintendent's performance. The timetable for evaluation is set out in the Employment Contract of the Superintendent, and the evaluation process is described in this policy. The intent of the evaluation is to:

1. Determine the effectiveness of the Superintendent's performance in achieving the Board's objectives and performing the duties as described in the Superintendent's Role Description.
2. Discuss the conclusions reached about the Superintendent's performance with the Superintendent and provide direction for future action when deemed necessary.
3. Enable the Board to appreciate and commend the Superintendent's contribution to achieving the goals of the School District.
4. Enhance the working relationship between the Board and the Superintendent.
5. Promote the professional growth of the Superintendent.
6. Assist the Board in decisions relative to continued employment and compensation.

Procedures for Evaluating the Superintendent of Schools

There are two procedures used to evaluate the performance of the Superintendent:

- Annual Review of Performance
- Comprehensive Performance Evaluation of the Superintendent of Schools

1. Annual Review of Performance

The Annual Review of Performance will be based on a survey that is administered to all trustees, the Deputy Superintendent of Schools, the Secretary-Treasurer and the Assistant Superintendents, using a modified version of Form F215 – Superintendent of Schools Evaluation. The modification of this form is to be determined annually by the Executive Staff Management Committee in consultation with the Superintendent of Schools.

2. Comprehensive Performance Evaluation of the Superintendent of Schools

Methodology

- 2.1 The Comprehensive Performance Evaluation should be done in year two of the contract of a new Superintendent, and subsequently in the year prior to the renewal of the Superintendent's contract.
- 2.2 The Evaluation Form entitled Form F215 - Superintendent of Schools Evaluation shall be reviewed by the Executive Staff Management Committee in consultation with the Superintendent, for the Board's consideration and authorization. The Evaluation Forms shall be distributed to Trustees, the Superintendent's Leadership Team, COSBO members, Principals, Vice-Principals, and the Presidents of COTA, CUPE, COPVPA, and COPAC. (The Presidents of COTA, CUPE, COPVPA, and COPAC will be advised that the Evaluation Form is to be completed by their Executive.)
- 2.3 The completion of the Evaluation Form is mandatory for Trustees and the Superintendent's Leadership Team members. Principals and Vice-Principals are strongly encouraged to complete the form.
- 2.4 The data from the completed forms shall be compiled by the Executive Assistant to the Board under the guidance of the Chair of the Executive Staff Management Committee. A copy of the compilation of the completed evaluation forms shall be distributed to Trustees and the Superintendent.
- 2.5 The Executive Staff Management Committee shall review the compiled data and prepare a summary report for the Board's consideration; the report may contain recommendations for the consideration of the Superintendent.
 - 2.5.1 The Superintendent may write a response to the comments and forward it to the Board.
- 2.6 The Executive Staff Management Committee's Report on the evaluation will be considered by the Board in an Executive Session (i.e. without the Secretary-Treasurer, the Superintendent, or the recording secretary) and a motion related to the Superintendent's performance shall be prepared. The Secretary-Treasurer will be invited to the meeting when the Board is ready to consider the motion.

A copy of the report will be given to the Superintendent and the original, with appendix (if any), shall be retained in the Superintendent's personnel file.
