

**Section Four: Students**

*“Together We Learn”*

**465 – STUDENT SAFETY PATROLS  
AND ADULT CROSSING GUARDS**

**Introduction**

In order to minimize risks to students, the Board of Education authorizes student safety patrols and adult crossing guards.

**Policy**

**1. Student Safety Patrols**

The Board endorses the formation of student safety patrols to instruct, direct and assist students at intersections or crossings adjacent to schools, and to increase students' awareness of safe pedestrian practices.

**2. Adult Crossing Guards**

Where necessary, and after consultation with the RCMP, the Board may authorize, on an individual basis, the employment of adult crossing guards at elementary school crosswalks across major traffic routes (Hwy. 97 or Hwy. 33) or at any primary school crossings.
