

## School bus registration for the 2019-2020 school year is open!

### IMPORTANT:

Parents must register their child for school bus transportation each year. Please use the link below to register your child for the school bus:

<https://transportation.sd23.bc.ca/>

- Students must be registered to ride on the school bus
- Transportation rates will be determined in April of each school year and are subject to increases. Parents will not receive payment information until rates or discounts are determined.
- We ask that you please register your child for the 2019-20 school year. This is required for Transportation to plan bus routes for the upcoming school year.
- **Courtesy riders are not assigned a seat until August** and will only be offered school bus transportation if:
  - seat space is available on the school bus
  - the student meets the bus at an existing stop on the bus route
- School bus registrations for ineligible or school of choice students (courtesy riders) are processed on a first come first serve basis and students are assigned to the bus route based on distance from the school. Students who reside farthest from the school will be offered a seat first.
